Examiner's Comment

1. In Applicant's Response dated September 18, 2006, Applicant's amendment and arguments are persuasive.

All objections and rejections previously set forth are withdrawn.

Response to Declaration under 37 C.F.R. 1.131/1.132

2. The claims have been amended thereby rendering the analysis of 1.131 Affidavits filed 08/28/2006 unnecessary. Therefore, a determination of persuasiveness regarding said affidavits has not been rendered.

Response to the Request for Information Rule 1.105

3. Applicant has submitted an Information Disclosure Statement under 37 CFR 1.97 and 1.98 containing the reference requested by the Examiner under the rule 1.105 and the request for information under the rule is closed. Further, the claims have been amended thereby overcoming the issue regarding the actual reduction to practice. Although not explicitly stated by applicant, it is to the best of the examiner's knowledge that applicant intended said submission as a reply to rule 1.105.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee.

Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
